4 Wedmore Street, Mount Gravatt East

Cleared and level blocks in established suburbs so close to the CBD, are highly sought after and we expect this flat 400m2 block with huge FOURTEEN METRE FRONTAGE will be in demand.

This land represents a great opportunity for qualified buyers to get all the benefits of the popular knock down rebuild trend, without having the financial burden of holding costs, council charges, civil engineering and demolition costs, not to mention the long wait times. Simply settle after registration. Then the choice is yours, dream home, land bank or build to invest. This 14 metre x 28 metre block lends itself to a variety of build options, all with the possibility of fantastic street appeal. ...
