5/26 Creighton Street, Mount Gravatt

This expansive tri-level town home boasts modern elegance, ideal location, carefree living and fantastic lifestyle options. Architecturally designed and cascading across three levels this home takes full advantage of the large 217m2 floor area by offering its occupiers the perfect mix of modern luxury living whilst retaining the key fundamentals of a home including: large outdoor spaces, natural light and great breezes.

The ground floor has a warm and inviting entrance and adjoins the internal garage and external carport which could be used for parking for up to three cars depending on their size. An internal laundry, courtyard, additional storage and rainwater tanks make up the remaining ground floor area. ...

The second level is the showpiece of this property and seamlessly connects the central kitchen / living / dining ar...
