

LEASED

3/12 Mailey Street, Mansfield

Perched in one of the most elevated sections of "Broadwater Landing" this dual level townhouse captures nice local views and cooling breezes. The nicely maintained complex is filled with flowering gardens beds and offers the convenience of being just a few steps to express city bus stops and moments to schools and parks.

FEATURES INCLUDE:

- * Open plan living and dining areas which flow to outdoor courtyard
- * Spotless kitchen which offers great space and privacy
- * Three LARGE upper level bedrooms, all include built-in robes
- * Well-presented master bathroom, private balcony with views...

While these changes have been useful to improve the accuracy of the baseline independent-level measurements of brain activation underlying any particular task and the interpretability of data for any given stimulus, as has been noted, these data-driven independent components may not be used to study any particular cognitive process. The separate systems are applied to the data in the independent time and space domain and not quantitated as to their cognitive status or their efficiency in the brain.
