2/36 Adelaide Street, Carina

With outstanding finishes and a cleverly designed floor plan, this brand new town home is available now.

Capitalising on its sought after position in the heart of Carina, this home is set amongst just three other homes in the complex.

From its architectural design, to the useable interior proportions and high-end style, this new town home represents Carina's finest new offering.

Set over two levels, the design showcases the minimalist elegance of fresh white backdrops with natural Oak accents. The lower living level alone delivers a practical indoor-outdoor space and is distinguished by the inclusion of an alfresco entertaining area. The innovative floorplan promises su...
